- 1.7 “RV” shall mean any recreational vehicle, motorhome, camper, or any such object designed to be used to house campers on sites.

2.0 TERMS AND CONDITIONS

- 2.1 The RV and camping season will be May 1st until October 15th of each year.
- 2.2 Aside from the right to use the site for recreation and the parking of the camper’s RV, fees will include electricity, sewer access, and water. Other services such as wood and laundry will be available for purchase.
- 2.3 If there is cold weather or any other type of climate-related issue, the campers accept that there may be delays in turning on water and/or early shut offs of water at the beginning and/or end of the season
- 2.4 The Nursery is not responsible for any damaged or stolen RV or belongings. Campers must take reasonable steps to secure and protect their own RVs, vehicles, or any other property that they bring into the RV park.
- 2.5 The Nursery will not insure campers or their property in the event of theft, hail, wind, flooding, water damage, fire, vandalism, or any other similar or incidental events that cause damages or injury to Campers or their property. Campers are responsible for purchasing their own insurance.

- 2.6 The camper accepts any risks associated with errant golf balls originating from the adjacent golf course. The Nursery and the RV park exist to accommodate those who enjoy the lifestyle of camping and golfing and will not compensate campers for injuries or property damage resulting from flying golf balls. Campers hereby forego the right to make any claim against The Nursery for any injury or damages resulting from golf or golf balls. The Nursery has taken several steps to reduce the amount of errant golf balls originating from the course and crossing into the RV park, but cannot guarantee that the occasional ball may enter your site.
- 2.7 Campers will not walk on The Nursery's golf course unless they have authorization and are currently playing a round of golf. Walking on the golf course is risky, and only staff or golfers who are moving with the flow of play should be on the course.
- 2.8 There will be a winter storage fee for any RV or belongings which are stored in a site after the season has ended. This winter storage fee must be paid by October 1st of each year in order to secure the site for the offseason.
- 2.9 Campers hereby agree to pay the winter storage fee if their RV or any belongings on the site are not removed by the end of the season.
- 2.10 Campers agree to keep their RVs in good condition and maintain a pleasant appearance. RVs that are not in a state of good repair or are visibly dilapidated will not be permitted to remain on the park. Further, during golfing hours, noise levels must be kept to a level that does not disturb other golfers.
